NOTES FOR REGISTERED OWNER

Nº 10

Nº 296355

1. This Certificate of Registration is merely evidence of the transactions recorded herein and does not constitute a certificate of legal ownership. It must be produced to a Postmaster who is a Deputy Registrar of Motor Vehicles when notifying the disposal or change of type of the vehicle. No entries are to be made on this certificate or alterations made to the particulars recorded herein by any person other than an authorised officer of the Post Office. If this certificate is lost or becomes dilapidated a replacement is obtainable on application to a Deputy Registrar.

2. "Owner", in relation to a motor vehicle means the person lawfully entitled to possession thereof, except where—

- (a) The motor vehicle is subject to a bailment that is for a period not exceeding 28 days; or
- (b) The motor vehicle is let on hire pursuant to the terms of a rental service licence—

in which cases "owner" means the person who, but for the bailment or letting on hire, would be lawfully entitled to possession of the motor vehicle; and "owned" and "ownership" have corresponding meanings.

3. Within 7 days of any disposal the registered owner must notify a Deputy Registrar. The notification must be given on a special form which may be obtained from the Deputy Registrar's office. Penalty for failure: \$20 for each day the motor vehicle is used while such failure continues.

4. When a motor vehicle is destroyed, or becomes permanently useless, or is removed permanently from New Zealand the owner must forthwith notify a Deputy Registrar and return this certificate and the registration plate(s). The notification must be given on a special form which may be obtained from the Deputy Registrar's office. Penalty for failure: \$100 for every offence.

5. If a vehicle remains unlicensed for one complete licensing year the registration will be cancelled automatically by the Registrar of Motor Vehicles.

6. All non-petrol driven motor vehicles except those qualifying for Class A and Class B are subject to mileage tax.
